UI design site e-commerce 2022

The image displays three screenshots of a wine e-commerce mobile application interface, showing different sections of the app.

Screenshot 1: Home Screen

A grid of three wine bottles (Château Latour) in green, white, and yellow. Below the grid is the text "Une grande variété de Vins!" and a large circular button with a right-pointing arrow.

Screenshot 2: Product Detail Screen

A detailed view of a Château Mur wine bottle. It includes a corkscrew icon, a navigation bar with back, search, and filter icons, and a bottom navigation bar with "Naturel", "Artisanal", and "Savoureux" categories.

Screenshot 3: Category Screen

A screen showing a list of wine categories: Blancs (selected), Rouge, Rosé, and Doux. It features two main product cards:

- Château Ciel**: Vin blanc doux, €14.99, with a shopping cart icon.
- Château M**: Vin blanc fort, €22.99.

Below these are sections for "Populaire" products:

- Château Lemur**: Vin blanc doux, €32.99.
- Château Latour**: Vin blanc doux, €26.99.
